

**Attention All Southbridge Residents Who Love to Read!!!!
Announcing the new Little Lending Library ---Take a
book, Return a Book**

The Southbridge Women's Club Book Lover's Group in conjunction with the Grand Lake Club is excited to announce the opening of the new Southbridge **Little Lending Library** which is open to all Southbridge Residents who love to read.

The **Little Lending Library** is located at the Grand Lake Club, just next to the front desk, and offers a selection of used books for you to take and read at your leisure.

Take a book, return a book. You are welcome to borrow a book for as long as you want, return it later or return another in its place. Come in and browse our shelves any time during Club business hours. No check-out required. Just grab a book and go!

All books have been donated by community residents, and we will welcome your donations too! Just drop off your gently used books at the **Little Lending Library**. Please no children's books, magazines or old text books! We don't ever want to look at those advanced calculus texts again!

Thank you to the Southbridge Women's Club Book Lover's Members and the Grand Lake Club for making the **Little Lending Library** available to all Southbridge Residents! We are excited about this new addition to our community!
